About WSO and how to join

Wrexham Symphony Orchestra is one of the most progressive orchestras in the North Wales and North West England area. Founded in 1969, it has grown to its present day membership of over fifty players, and regularly attracts professional conductors and outstanding soloists.

WSO rehearsals are on Wednesday evenings, from 7.15pm to 9.30pm, on the final Friday evening and on the day of the concert. Our rehearsals are usually in the William Aston Hall (address below). Vacancies for new players in some sections are limited, but we are always keen to hear from good musicians. Please approach us at a concert, via social media or email us at wrexhamso@gmail.com.

Sponsorship & Advertising

WSO is eager to accept sponsorship from local companies or individuals. WSO is primarily self-funding through member subscriptions and concert ticket sales. However, additional income could, for example, cover some of our general running costs such as rehearsal and concert venue hire, conductors' fees and promotional advertising, or help fund the cost of music that is not readily available from public music library services.

Sponsorship of the Orchestra can take many forms, such as placing an advertisement in future concert programmes, sponsoring a work to be performed in a forthcoming concert, sponsoring our website, or by making a cash donation to the Orchestra. If you are interested in supporting the Orchestra in any of those ways, please approach us at a concert or email us at wrexhamso@gmail.com.
